EVERYBODY KNOWS.

You can't be all things to all people.

You can't do all things at once.

You can't do all things equally well.

You can't do all things better than everyone else.

Your humanity is showing just like everyone else's.

so:

You have to find out who you are, and be that.

You have to decide what comes first, and do that.

You have to discover your strengths, and use them.

You have to learn not to compete with others,

Because no one else is in the contest of "being you".

Then:

You will have learned to accept your uniqueness.

You have learned to set priorities and make decisions.

You will have learned to live with your limitations.

You will have learned to give yourself the respect that is due.

Dare To Believe:

That you are a wonderful, unique-person.

That you are a once-in-all-history event.

That it's more than a right, it's a duty, to be who you are.

That life is not a problem to solve, but a gift to cherish.

You will be able to stay one up on what used to get you down.

PARISH ADORATION.

A special word of appreciation to those people who are enabling Adoration to take place on Mon, Wed and Friday, and especially to those who have committed to be present for the hours from 12 to 2pm. The exposition of the Blessed Sacrament and people being present does invite visitors to our Church into a Prayer Space that is prayerful.

Church Restoration Programme

If we can all do a little we can achieve a lot. To date Parishioners contribution stands at **€8.125**. We are designating two Sundays in the month when the **second collection at Mass** will be allocated to the Restoration Fund. On those nominated days every attempt will be made to suspend collections outside the church. We invite members to give generously on those Sundays for the cause. The designated Sundays are the 2nd and 4th of each month.
