## TAX BACK SCHEME

In October we will embark on what we hope will be a lucrative fund raising scheme for our church. We hope it will be a major source of revenue for our Restoration Fund. It is a fund raising program that will cost the donor **NOTHING.**

**How it works:** The participant must pay tax and the parish, in the course of a tax year, is able to compile records to show that the tax payer has paid 250 euro or more to the parish in that tax year. The €250 can be paid in a lump sum or instalments made up of Easter/Christmas dues, Restoration Fund donation, and weekend collections recorded each week via envelopes from October to December 2016. (14 envelopes)

There is evidence to suggest that there are many people who could reach this target by the end of 2016. **For every €250 and over the church can claim tax back to about €110.**

**What we are asking:** Tax payers would register and use the assigned envelopes each Sunday during these three months. Even if a person cannot reach the required amount this year we will all be ready for 2017.

More information will be given before kick off in October. If people who are familiar with this scheme could offer their help and assist it would be appreciated. Many parishes and organisations benefit from the scheme. It's time we took it up.

**For parishes that use this scheme it is their second biggest source of income.** It cost the participant nothing but the parish gains a lot.

## WHAT IS YOUTH?

Youth is not entirely an amount of years; it is a state of mind.  
It is not simply a matter of red cheeks, ripe lips or supple knees –  
It is a temper of the will, a quality of the imagination, vigour of the emotion.  
Nobody grows old merely by living a number of years;  
People grow old only by abandoning their ideals.  
You are as young as your faith, as old as your doubt;  
as young as your self-confidence and as old as your despair.  
In the centre of every heart, there beats a recording chamber.  
As long as your heart receives a message of  
hope, faith, beauty and courage, youth shall prevail.  
When the wires are all down and your heart is  
covered with the 'snow' of pessimism and the 'ice' of cynicism,  
**THEN AND ONLY THEN HAVE YOU GROWN OLD**
